

# COMPANY PROFILE

## Reeva Cryogenic Gases LLP

The Invisible Solution Provider For Modern  
Industrial Needs

A decorative graphic on the right side of the slide consists of a series of thin, light blue wavy lines that flow from the top right towards the bottom. At the bottom left, there are several parallel diagonal lines in a light teal color.

ISO 9001:2015 CERTIFIED COMPANY

# ABOUT COMPANY

In able guidance of Late Mr Suresh M Megha. Companies foundation stone was laid in 2017. Company plant was constructed & Mfg was started in 29/05/2023 With all modern state of art vertical gas filling facility plant was laid down in 2500 Sq mtr land with inhouse testing laboratory, Hydrotesting facility to enable us to meet all the challenges faced in industry.

We have a unique portfolio of serving Gases, Cryogenic gases, Centralized gas distributing systems, Cryogenic piping, Regulators, Calibration gases, Rare gases etc.

We are having more than 4500+ Gas cylinders, transport tankers, 7 Bulk storage tanks, 128 micro cylinders, 29 Portacryos, and a dedicated of more than 45 + well trained staff working tirelessly to face any challenges faced by customers.

Today we are continioug the tradition of quality , Service, Honesty started by our founder. At RCG we are comitted to provide customers with inovative solutions to the myraids of technical problems face by manufactures, hospitals, individuals who are the foundation of the welding industry.

# VISION

“we will be recognized by our customers as the finest supplier of welding & gas products and services, dedicated to providing uncompromising quality by consistently fulfilling customers expectation through innovative solutions and teamwork”

# MISSION

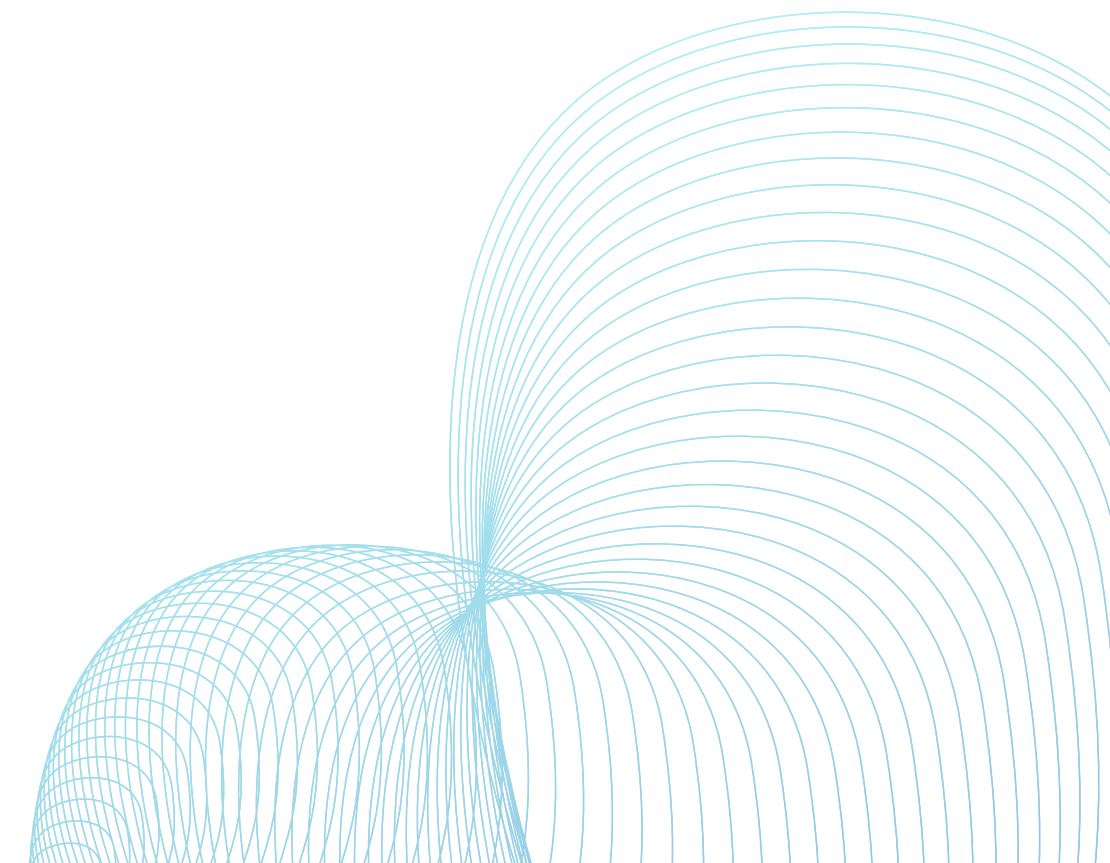

Making our India more productive and providing safe knowledge of using cylinders and increasing productivity of customers by providing innovative solutions.

# OUR GOALS

To excel in field of industrial gases and ultra high purity gases, calibration gases, and becoming leading supplier in Gujarat

# MILESTONE

Few of our milestones.

**2017**

Foundation stone laying

**2023**

First supply of industrial gases started,  
and completed our first supply of  
calibration gas order.

# OUR SERVICE

## Industrial Gases

- **Oxygen**

Commercial Grade  
Grade 1  
UHP Oxygen

- **Zero Air**

Grade - 1  
UHP Zero Air

- **SF6**

Grade - 1  
UHP SF6

- **Nitrogen**

Commercial Grade  
Grade III  
Grade 1  
UHP Nitrogen

- **Co2**

Commercial Grade  
Grade 1  
UHP Co2

- **Chlorine**

Commercial Grade  
UHP Cl2

- **Argon**

Commercial Grade  
Grade 1  
UHP Argon

- **Hydrogen**

Commercial Grade  
Grade 1  
UHP Hydrogen

- **Acetylene**

Commercial Grade  
XL Grade D.A

- **Helium**

XL Grade Helium

- **So2**

Grade - 1

- **Methane**

Grade - 1  
UHP Grade Methane

# OUR SERVICE

## Cryogenic Gases

- Liquid Oxygen
- Liquid Nitrogen
- Liquid Argon
- Liquid Helium
- Liquid Co<sub>2</sub>
- Liquid Ammonia
- Dry Ice

# OUR SERVICE

## Gas Mixtures:

- Argon + Hydrogen
- Argon + Co2
- Refinery gas plant standards Mix
- BIO Gas Mixture
- Tri Gas Mixtures
- Calibration gas mixtures
- Natural gas Plant Standards Mix
- Fire extinguisher gas Mixture
- IVF Gas Mixtures
- P10
- LPG Gas plant Standards Mix
- SOX/ NOX Mixtures
- Oxygen + Helium
- Fruit Ripening mixture
- Polymer gas plant standards Mix
- Laser Gas Mixture

# OUR SERVICE

## Gas Handling Equipments:

- Specialty Gas Regulators
- Gas Distribution Manifold
- Cylinder Trolley
- Automatic Change Over Panel
- Flow Meters
- Lab Gas Piping
- Gas Cabinets
- High Flow Regulators
- Vacuum Jacketed Pipeline
- Gas Purification Pannel
- Gas Sampling Cyl
- Fruit Ripening mixture
- Nitrogen Plants

# OUR SERVICE

## **Cryogenic Installation:**

- **Installation of cryogenic Tank for Liquid Oxygen / Nitrogen/ Argon**
- **Installation for Vaporizers**
- **Explosive Departments Licensing**
